

Although rain free for the race there was no respite from a bitterly cold wind sweeping across the playing fields. Nevertheless the rivalry was keen and as expected from this format of racing, some close finishes with the back markers almost getting into the placings. A number of *Leaguers* were keeping their powder dry for the European Masters Indoor championships in Poland which commence on Tuesday and so the size of the field was smaller than usual.

Thanks are expressed to Jon May for framing the handicap and to all the officials, particularly the time keeper and recorders for their input to a what seemed a good afternoon's sport.
