A Historic Picture?

Only four walkers joined about sixty runners for the annual EHAC Boxing Day 5km, the lowest ever number of participants.

The winner was Fransisco Reis *Ilford AC* (3) 26.55 who was followed home by Steve Allen *Barnet* (4) 27.58 John Ralph (1) 29.12 and Sean Pender *both EHAC* 36.20.

Is this an historic photograph of the competitors who took part in the last ever EHAC Boxing Day Race Walk?

Thanks to the course markers and officials

Results Round-up A mere forty-eight hours after the Hillingdon open 10km, the race which sealed his first ERWL title, Peter Ryan was on the opposite side of the world in New Zealand and on 19th December was the first walker to finish in the **Wangahiu half marathon**. His time over what seemed to be a cross country walk was 2.07.49 a couple of minutes in from of local club walker M.Nield. There were eighty-three starters in the race.

There were no EHAC walkers at Bexley for the third of this winter's **Cambridge Harriers 5km** events. However there were ten *Leaguers* among the twenty-four competitors. The highest placed was Francisco Reis 24.33 in third place and the others were: : Steve Uttley 26.06, John Hall 27.11, Malcolm Martin 28.18, Dan Maskell 30.16, Shaun Lightman 30.43, Paul King 30.55, Angela Martin 33.27, Mick Barnbrook 34.31, Peter Cassidy 36.09 and Dave Ainsworth 40.09.

Cameron Corbishley put in a blistering 22.10 to win by five hundred metres from Luc Legon 24.05 and in fifth place Sophie Lewis-Ward in 26.38 was the first of the seven ladies to cross the finishing line.

EHAC Annual General Meeting takes place at LVAC on Wednesday 5th February at 7.30pm and it would be nice if few race walkers could attend. Let me know how feasible it is for you.

BMAF Request

In order that I might truly represent Masters (and Vets for those who prefer the old description), develop the service that the BMAF provides to the walking community and generally help older walkers get more out of race walking, it would be helpful for me to know the extent of older walkers participation – both racing and training, their commitment and aspirations, and general views of where masters sit in the overall walking scene. I should be most grateful, therefore, if anyone age 35 or over who has raced at least once over the last couple of years, were to complete the on line survey which can be accessed at <https://www.surveymonkey.com/s/283C5FT> . If anyone would prefer a paper copy please contact me at 24, Pevensey Road, Worthing, BN11 5NS : E-mail ianrichards.racewalker@virginmedia.com or ask me if you see me at a race.

Please do encourage others to complete the survey so that it is as representative as possible. I will publish a report with the results for the benefit of everyone and a separate report on how I propose to react to the findings.

Thank you in anticipation - Ian Richards, *BMAF Race Walking Secretary*
